Pratt, the Land Man

Has the choicest selection of lands in the Territory to offer to those wise people who want to "get in on the ground floor" and invest before prices rise all along the line.

In a very short time, when you meet a friend, and commence to discuss land transactions (as you naturally will), you will be saying, "I could have bought that place in '08 for less than half that price, but—" Don't be "asleep at the switch," but get a "move on" right now and buy one (or more) of the following properties:

1. Seaside properties, frontages to suit; the best investments in the Hawaiian Islands today.

2. Residence properties on the Makiki and Punahou foothills, the "Mokiki Hills" of Honolulu.

3. Some of the choicest properties on the Makiki Plains; houses, lots, locations and prices to suit your taste and bank account.

4. Highest grade agricultural land on Oahu, Maui and other islands; size, location, prices and terms to suit.

5. Several leaseholds covering summer (and it's always summer in Hawaii!) homes and revenue producing small farms, in the valleys near Honolulu.
